Canon

imageCLASS MF212w

Wireless[1] Multifunction Laser Printer

AirPrint

Powerful, Wireless Multifunction Printer with an Array of Mobile Features for Your On-the-Go Lifestyle.

KEY BENEFITS

Wireless

Print from laptops, smartphones, and tablets anywhere in the home or office with built-in wireless connectivity, including AirPrint™.[1]

Print or Copy at Fast Speeds

24 Black ppm/cpm

Retrieve printed documents, or make copies quickly at 24 pages or copies per minute.[2]

Why Choose the MF212w Over…

Samsung Multifunction Printer Xpress M2070W

24 Black ppm/cpm

QUICK 1st PRINT

Faster print speeds, whether printing just one page or many.

Ethernet

More connectivity options, with both wireless and Ethernet, to meet the needs of any home or office.

Easier navigation through menu with 5-line LCD & tiltable control panel.

Brother DCP-7065DN

Wireless connectivity for convenient access from anywhere in the home or office.

QUICK 1st PRINT

Many business documents are just 1-2 pages. Quick 1st print speed of approximately 6 seconds (approximately 30% faster).[3]

SINGLE CARTRIDGE SYSTEM

Purchase only one consumable that's easy to replace and is 100% recovered with no landfill waste.

More Benefits

- Print documents, photos, and web pages using the FREE Canon Mobile Printing App.[4]

Scan documents directly to a smartphone or tablet using the FREE Canon Mobile Scanning for Business App.

QUICK 1st PRINT[3] | 250 SHEET PAPER CASSETTE[5] | SINGLE CARTRIDGE SYSTEM

Ethernet | mopria ALLIANCE | QUIET MODE

Demo Tips

Got Power?

Show your customers how to save paper while getting necessary information onto documents. 2-on-1 or 4-on-1 combines multiple pages onto a single document, great for travel itineraries, for example.

No Power? No Problem?

Demonstrate the MF212w's tiltable control panel. Whether a customer uses the printer while sitting or standing, using the printer's control panel is a breeze.

Consumables

Use GENUINE Canon

Cartridge 137
(Approx. 2,400 pages)

STARTER CARTRIDGE INCLUDED

GENUINE Canon cartridges are designed, developed, and manufactured by Canon engineers, using precise specifications, for consistent, high quality output.

1 Wireless printing requires a working Ethernet network with wireless 802.11 b/g/n capability. Wireless performance may vary based on terrain and distance between printer and wireless network clients. AirPrint functionality requires an iPad, iPad Mini, iPad 2, the new iPad, iPhone 3GS or later, or iPod touch 3rd generation or later device running iOS 4.2 or later, and an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base Station, or Time Capsule is not supported.
2 Print speed is based on internal testing. Print speed may vary, depending on the number of copies selected and on the settings for size, type, and orientation of paper.
3 May vary, depending on the output environment.
4 Requires Canon Mobile Printing app, available free on the App Store and Google Play; compatible with iPhone 5, iPhone 4S, iPhone 4, the new iPad, and the original iPad running OS 6.0.1 – 6.1.2. Supports Android OS 2.3.3 – 4.2.2.
5 Based on 20 lb. paper.
